

Christmas in August?

If you want Christmas lights in December it is time to order

We always have an overwhelming response to Outdoor Christmas Light installation and we can't accommodate everyone.

The first requests with deposit checks in will be put on the list first

Please note our set up charge of \$75 This charge is necessary to cover the administrative costs associated with scheduling and coordinating light installation and tear down and fuel costs

For Previous light customers, lawn maintenance or landscape customers and deposit check received in the office by Oct 1st the charges are as follows:

- \$30/man/hr. Usual crew is 3 men or \$90/hr.
- \$75 Set Up Charge

For All New light customers AND previous customers with deposit checks received in the office after Oct 1st:

- \$35/man/hr. Usual crew is 3 men or \$105/hr.
- \$75 Set Up Charge

There is a charge for installation and tear down. Tear down is usually 25% of the time of installation* with a minimum of \$75

Installation & tear down fee is due the day of installation.

***If the tear down takes longer than 25% of install time you will be billed for that additional time at tear down.**

**We will mail your date of installation and procedure for setting up Oct 10th
Installation is Nov 1 to Dec 1**

Map or description of where you want lights
Describe below

If you use different colored lights please write the colors where you want them.
Please do not write same as last year as the crew may not remember each
individual house. May use back side of paper.
