

# Christmas in August

**If you want Christmas lights in December it is time to order**

We always have an overwhelming response to Outdoor Christmas Light installation and we can't accommodate everyone.  
**The first requests with deposit checks in will be put on the list first**

**With the deposit check received in the office by Oct 1<sup>st</sup>  
the charges are as follows:**

- \$35/man/hr. Usual crew is 3 men or \$105/hr.
- \$75 Set Up Charge

There is a charge for installation and tear down. Tear down is usually 25% of the time of installation\* with a minimum of \$75

**Installation & tear down fee is due the day of installation.**

**\*If the tear down takes longer than 25% of install time you will be billed for that additional time at tear down. In most cases \$75 is the usual fee.**
